

## MARINE INFORMATION

**PUBLIC SALE OF NIMA NAVIGATION PUBLICATIONS TRANSFERRED TO THE GOVERNMENT PRINTING OFFICE (GPO)**

The National Imagery and Mapping Agency (NIMA) provides navigation publications for both civil and military customers. In the past, the printing of these publications was provided through the Government Printing Office (GPO) commercial printing contracts with public distribution accomplished via a cooperative agreement with the National Oceanographic and Atmospheric Administration (NOAA), Office of Aeronautical Charting and Cartography (now the FAA National Aeronautical Charting Office) and their selected resellers (sales agents). Effective 01 October 2000, NIMA has transferred the public sale of all new editions of NIMA navigation publications to the GPO, Superintendent of Documents (SuDocs) for both wholesale and retail purposes. All subsequent wholesale agreements for NIMA nautical publications must be established with GPO SuDocs.

**This change will not affect the distribution of NIMA nautical charts and the U.S. Notice to Mariners.**

All NIMA navigation publications offered for sale by the Superintendent of Documents may be ordered online, by phone or fax, or through the mail.
